

**CARIBBEAN INVESTMENT SUMMIT**  
**MIAMI, FLORIDA**  
**13TH MAY 2016**

The Caribbean Export Development Agency (Caribbean Export) in collaboration with the Caribbean Association of Investment Promotion Agencies (CAIPA) will host the 3rd staging of the Caribbean Investment Summit on May, 13, 2016 at the Miami Marriott Biscayne Bay, Florida, USA.

The event will be funded and co-organized by the Inter-American Development Bank as a part of a Regional Public Goods Initiative entitled: Support to Foreign Direct Investment in the Caribbean.

Produced with support from Financial Times' fDi Magazine, the Caribbean Investment Summit offers a unique window for investors to the region's diverse opportunities available to them, and aims to attract a wealth of potential investors interested in the dynamic Caribbean brand.

Following the success of two previous events in London and Mexico, the 2016 Summit will bring focus to the region's key industry sectors:

- **Renewable energy**
- **Business process outsourcing (BPO)**
- **Niche tourism**

Continuing under the theme '*The Climate is Right in the Caribbean*', the event will provide an unmatched platform for regional investment promotion agencies, senior government officials and ministers of government to expose 'shovel ready projects' to prospective investors in their newest target market, the United States.

Over 100 high net worth individuals and investors are poised to gather at this year's Summit which will once again be hosted by Ms. Courtney Fingar, Editor-in-Chief, fDi Magazine, Financial Times Group. The event also seeks to take advantage of the proximity of the United States to the Caribbean, as the region continues to target strategic investors under the roll-out of the recently developed Regional Investment Promotion Strategy.

At this year's event, awards will be given to the **Regional Investor of the Year** and those in attendance will hear first-hand from investors who have successfully invested in the region.

We are therefore writing to invite you to share the above information (as well as the attached flyer) with your existing database of members who may be interested in investing in Trinidad and Tobago and will gain value from attending the Summit.

We look forward to your feedback.
