YOUR SAFETY ABROAD  
IS IMPORTANT TO US

## WHAT IS THE **RSNA**?

The Trinidad and Tobago Registration System for Nationals Abroad (**RSNA**) is an emergency-support safety notification service that is offered by the Ministry of Foreign and CARICOM Affairs.

It is freely available and can be accessed by all nationals of Trinidad and Tobago who are travelling overseas to live, study, work or for leisure. If an emergency occurs overseas, such as natural or man-made disasters, civil disturbances or terror attacks, the RSNA will facilitate direct two-way communication between nationals in the diaspora, who have registered on the database and the officers located at the nearest Overseas Mission. Via this connection, officers are able to contact all registered nationals to transmit safety notifications and other important information. Nationals can also confirm their safety via the system or request assistance, if required.

The RSNA will also facilitate diaspora connections to develop a mutually beneficial alliance with nationals located throughout the world. Interested nationals in the diaspora can explore opportunities to contribute to Trinidad and Tobago through the transfer of skills and knowledge, student support, philanthropy and other areas of interest.

## **BENEFITS** OF REGISTERING WITH THE RSNA

In an emergency overseas, all Trinidad and Tobago nationals registered with the RSNA will be able to:

1. Receive in real-time safety and security notifications from the Trinidad and Tobago Overseas Mission in the country in which your stay is registered.
2. Communicate immediately with the Mission's officers.
3. Report and confirm your safety-status, location and contact information.
4. Assist the Overseas Missions to provide updates that could assist in reducing the anxiety of family members concerning your safety status during an emergency.
5. Receive important information, including identification of available sources of assistance.
6. Contribute to the development of nationals/society.
7. Receive information on the opportunities being provided.
8. Capitalise on the opportunities being provided.

## WHEN SHOULD **I REGISTER?**

Nationals are encouraged to register prior to leaving Trinidad and Tobago no matter how short the stay abroad.
